

# UUSMC Sanctuary Banners

The Sanctuary Banners on rotational display throughout the year are the original concepts and designs of Betsy Molina Mortenson. They are produced and donated to the church as an ongoing gift from the Mortenson family to UUSMC. In addition to the Seasonal Quartet, there is the Holiday, Peace and a new Green Banner that will make its debut during the spring of 2011. Betsy does original art and freelance design and can be contacted at [betsymodesign@hotmail.com](mailto:betsymodesign@hotmail.com) or at 302-738-4455.
